

## **MBS ATHLETICS: STUDENT-ATHLETE CONTRACT**

1. Each player will make a commitment to his/her MBS athletic team. All practices and team meetings require mandatory attendance.
2. Each player must come to practice wearing appropriate clothing.
3. Athletes will be excused from practice only with a coach's consent. Athletes must notify coaches 24 hours in advance if they will not be attending a game or practice.
4. Athletes must notify coaches immediately of any injuries.
5. Athletic contests do not give an athlete an excuse for missing an assignment or not being prepared for a test.
6. Once you commit yourself to a team, you may not change in season. If you choose to stop playing a particular sport, contact the coach.
7. All athletes represent MBS. Any negative or inappropriate behavior that is apparent during a practice/game will be reported to the Principal and Athletic Director.
8. Every athlete must realize the concept of **TEAM**.
9. Any athlete who is absent from school on the day of the athletic competition may not participate in the event.

Along with the guidelines found in the MBS Student Handbook, these rules and expectations must be followed by all MBS athletes. Any additional rules established by a team coach must also be followed.

***We have read and discussed all the responsibilities that come with participating on a MBS Athletic Team. We will abide by all rules and embrace all the philosophies that encompass MBS.***
