Vision Statement

Most Blessed Sacrament Catholic School provides rigorous and technologically relevant instruction that is intentionally integrated with Catholic identity. Together, as Pastors, administrators, teachers and parents, we nurture the development of the mind, the body, and the soul, in each of our students. Our students are able to make sound decisions based upon the teachings of Jesus Christ and modeled upon the lives of the saints. As a faith and learning community, we teach students a passion for the truth and a love for discovery and knowledge. Our students are prepared to relate their Catholic faith to their culture and actively live their faith as members of the greater community.
