Dear Parents and Guardians,

In the sixth month, the angel Gabriel was sent from God to a town of Galilee called Nazareth, to a virgin betrothed to a man named Joseph, of the house of David, and the virgin's name was Mary. And coming to her, he said, "Hail , favored one! The Lord is with you."

"The students were great. Best behaved group I've had... I felt like it was my best tour yet."

BLIZZARD BAGS

In anticipation of inclement weather and subsequent unsafe road conditions that would cause us to close school, our school has implemented the "Blizzard Bags" program. Children will bring home their Blizzard Bags that contain assignments to be completed on those days on which school is closed for weather related reasons. Each child is expected to complete the assigned work and return it to his/her teacher when school resumes. In doing so, we will not be required to "make-up" the days missed. It is very important that all students complete the assignments as provided. Your cooperation in assuring that assignments are completed is very much appreciated. If a student has difficulty with an assignment, the parent is asked to communicate with the child's teacher so that guidance may be provided and additional time for completion will be given. Thank you!

Parents...this is for you! Please check out this website...

<https://www.waituntil8th.org/> Christmas is around the corner, is a smartphone on your child's Christmas list? Please reconsider and wait until 8th grade for your child to have a smartphone. Check out this website, please! More information will follow. Please contact tgabbard@mbscs.org if you have questions!!

The Wait Until 8th pledge empowers parents to rally together to delay giving children a smartphone until at least 8th grade. By banding together, parents can support one another in resisting the pressure felt by kids and parents alike over the kids having a smartphone.

NURSES SUITE

Yearly flu vaccines are always recommended. You can receive your flu vaccination from your primary care provider. Your child can receive his/her flu vaccinations from his/her pediatrician. Rite Aid and Walgreens also offer flu vaccines. Frequent hand washing with soap and water is the simplest way to avoid becoming ill.

Please notify the school nurse if your child tests positive for the flu, develops strep throat, scarlet fever, "pink eye" or chicken pox. Children with these conditions will need a physician's note stating they are okay to return to school. Student who are absent for 3 consecutive days, due to illness, must have a physician's note to return to class.

No medications may be administered by the school nurse without a written order from a physician. Forms can be obtained from the school website, or in the Health Suite. No "over the counter" medications can be administered by student or school nurse without a physician's order. This includes cough drops, cough medicine, "Tums" and fever reducing medication. Students are not allowed to carry any medication at any time. All medication must be locked in the Health Suite.

EMERGENCY CLOSINGS AND DELAYS

As in the past, parents and guardians will be notified of emergency closings and delays through our School Messenger notification system. Because of this, it is VERY IMPORTANT that we have your updated contact information as soon as possible. In the case of delayed openings or school closing, parents will receive a recorded phone call and a text message on their cell phones. In the case of an emergency early dismissal, calls will be made to the parent's landline, cell and emergency numbers. Calls regarding delayed openings and school closing will be made by 5:15 a.m. Closings and delays will also be posted on WBOC, WMDT, and Froggy99.
