
Leave a Mark Forever by Creating MBS Eternity Tiles

Would you like your child to create an eternity tile? Ceramic Zone is coming to our school on May 8, 2019! They will be providing us with tiles and paint, so the children can create a tile that will be displayed "for eternity" with the rest of the tiles here at MBS.

The cost will be \$30.00. Business tiles are available for \$100.00 (please email Mrs. Evans with artwork) and Ceramic Zone will create a tile for you. The business tiles will be hung in the hallway with all our other many supporters. These fees include the tile, paint and firing.

Grades pre-K 3 through third will create a tile using their hand print. Fourth through eighth grade students can use their creativity and make a tile using their original artwork. Their name and the year will also be on the tile.

The older children will be creating tiles during their lunch breaks. The pre-K children will be starting at 9:00 am. You are welcome to participate in the tile making process with your child/children or create a tile for your family or as a memorial to a loved one.

(Please cut bottom portion and return with payment.)
