Jesus said to his disciples:
"I have much more to tell you, but you cannot bear it now.
But when he comes, the Spirit of truth,
he will guide you to all truth.
He will not speak on his own,
but he will speak what he hears,
and will declare to you the things that are coming.
He will glorify me,
because he will take from what is mine and declare it to you.
Everything that the Father has is mine;
for this reason I told you that he will take from
what is mine and declare it to you."

It is difficult to believe that we have arrived at the conclusion of another school year. We would like to extend our wishes to you and your family for a safe, relaxing and enjoyable summer. During the summer months, please continue to live your faith through attendance and participation in the Liturgies and the faith community programs of your parish.

We would like to take this opportunity to thank you for all of the wonderful support that you have provided to our school during this school year. We are truly blessed to have such awesome students and parents to whom we provide our ministry of faith and academics. This school year has been very successful on a number of levels and that success is measured in the growth that we see in your children, our students. Your outstanding support of your children is a key factor in that success and we thank you, emphatically, for all that you have done, given and shared.

DIOCESE OF WILMINGTON ANNUAL SCOUTING AWARDS

Congratulations MaryAnn and MadaLynne Rutzler for earning the Diocesan "Heart" and "Anchor" awards, respectfully this past weekend at the Diocese of Wilmington 2019 Annual Scouting Awards Mass and Ceremony. MadaLynne also earned her National Catholic Committee "I Live My Faith" Award as well.

The Heart Award symbolizes charity, it helps the Girl Scout understand her role in making Christ present in her everyday life and is awarded to Cadette level scouts. The Anchor symbolizes hope and is earned as a Junior Girl Scout as she learns to see Christ in herself and in others through community service. The "I Live My Faith" Award is focused on developing an awareness of how God and her Catholic faith occupies her daily life.

We are very proud of all your hard work in Girl Scouts. May God continue to bless you both!

SUMMER WORK

Our teachers will be forwarding to parents the expectations for summer work.

Our teachers will be forwarding to parents the expectations for summer work. The information will be provided to the students prior to the last day of school. Math work is a requirement for ALL students. Worksheets are also available in the school office. Students who complete the work will receive credit for doing so. Summer work is provided in order to reduce the effects of the "summer slide." "Summer slide" refers to the regression in skills that many children experience during the summer months. All summer work is expected to be completed when students return to school in September. Students will or have been given a paper copy of the summer work assignments. In addition, all summer work will be posted on the school website after July 1st.

NEW FAMILY MENTORING PROGRAM 2019-2020

We are looking for volunteers who would be willing to give their time and talent to assist us in our New Family Mentoring Program. The purpose of this program is to be able to give our new families a contact to go to if they have questions or are unsure of something. This would give our new families a comfort of knowing that we are a school community and are here to welcome them with open arms.

Thank you for your willingness to help and be there for these new families to make the new school year as easy and comfortable a transition as it can be for them.

For your time and talent, we will give 10 FIP hours towards the 2019-2020 school year, which will be applied at the beginning of the 3rd trimester. For more questions about the Mentoring Program or if you would like to sign up to be a Mentor, please contact aevans@mbscs.org or call Mrs. Amanda Evans at the school office.

In preparation for the following school year 2019-2020, the Health Suite has information that may need to be updated or new forms to be completed. All forms can be found on the MBS website or in the Health Suite. Please read the letter that was sent home to students.
