Dolphin Days

IT'S A GREAT TIME TO BE AN MBS DOLPHIN! September 24, 2020

"God doesn't require us to succeed, he only requires that you try" Mother Theresa

We have had a successful start to the school year thanks in large part to our families and teachers for helping to reinforce the importance of staying healthy. As we wrap up week three, I encourage you to continue to stick to the plan. Be sure to do a wellness assessment, including temperature checks daily before leaving for school. If in doubt, stay home.

We, too, will continue to stick to our plan; masking, social distancing, wellness checks by staff, practicing proper hygiene and sanitation. There will be plenty of fresh air both inside and out, outdoor activities and lessons and a light load of homework. I encourage you to stick to a routine at home, with a set bedtime and reading daily. The importance of reading is undeniable, it expands the mind, helps to develop our vocabulary, allows for creative thinking, improves concentration and gives a sense of belonging. Twenty minutes every night is all it takes. Please read to your child, or read silently as a family, but make sure to read daily.

Thank you to all who joined in our virtual open houses. Our teachers were excited to meet new parents and to see the familiar parents. We are so happy you are here for the 2020-2021 school year. Welcome, again!

Tomorrow, Friday, September 25th we will have our first NUT (No Uniform Today) Day. Children may dress down and we ask in return that they bring in two can goods or more to help us support the St. Mary Star of the Sea/Holy Savior Church food pantry. Remember, NO flip flops or tank tops.

Thank you for your patience with the car line, it's running smoother with each passing day. We remind you that when sitting in the line, please turn off your car.

In your Thursday folders today, please read the information regarding *Share in the Spirit*, a collection for tuition assistance. It is a worthy cause!

October is Marian month. MBS will participate in the Virtual Mary, Queen of Peace Pilgrimage Rosary, this year, virtually. We will pre-record the second mystery led by and recited by our eighth-grade class. This will be sent to the Diocese, along with the other four decades of the Rosary recorded by other schools, and combined with a message from our Bishop. On October 7th, as a school community, we will pause and pray the Rosary with the entire Diocese of Wilmington Schools at 10:00 am.

Please continue practice safe measures when out and about. We can do this!

God Bless, Kathy Manns

FAMILY SURVEYS

Please return your family surveys. We have received less than 50% of the completed family surveys.

In last week's folder, we sent home to each family an anonymous survey that asks about the family's income level, family membership, etc. This information is kept in the strictest confidence and is only used to compile data relevant to our school's

eligibility for federal programs. <u>Without the participation of each family, we will</u> not qualify for the maximum state/federal dollars that you have paid in your taxes and we are entitled to by law. As you may know, Catholic schools do not receive direct federal or state funding. However, we are able to access state and federal funds that are administered through local school districts and the M.S.D.E. The funds that are available to us assist in purchasing textbooks, materials of instruction and in providing professional development to our teachers. We

sincerely appreciate your assistance in the endeavor. PLEASE RETURN YOUR SURVEY ASAP! Thank you.

This is a reminder that parents need to check their students for signs and symptoms of COVID-19 EVERY morning before leaving for school. If the student has ONE of the following symptoms; cough, difficulty breathing or shortness of breath or new loss of taste or smell, AND/OR, TWO of the

following symptoms; fever (100.4 or above), chills, nausea, vomiting diarrhea, sore throat, headache, muscle or body aches, fatigue, congestion or runny nose, they must adhere to the MBS policy based upon directives from the Maryland Health Department and CDC guidelines. These students MUST stay home from school. If any students come to school complaining of, or exhibiting these symptoms, they will be sent home from the Health Suite and need to be picked up immediately. Students who stay home AND/OR are sent home will have to follow the MBS Return to School Guidelines Policy. This policy states that for a student to return to school they MUST meet one of these conditions:

1. Documentation of a negative COVID-19 test and all symptoms have resolved without medication.

2. Health Care Provider documentation that the student is cleared to return to school once all symptoms have resolved without medication.

3. If a student does not have negative COVID-19 test documentation, or a note from a Health Care Provider clearing the student to return to school, the student MUST stay home for 10 days from Most Blessed Sacrament Catholic School.

Maryland Health Department policies also include, if a student is sent home or stays home from school with the symptoms listed above, and they have a sibling at MBS, the sibling will also be sent home, AND/OR must stay home until the return to school policy conditions are met.

We want to remind you that if students are going out of town, please be mindful with all travel, and with gatherings of groups, to practice social distancing, mask wearing, hygiene and sanitization safety measures. With the policies of the Maryland Health Department, wearing masks, social distancing, sanitizing of the school and hand washing, MBS is committed to keeping our students and staff safe and in the school building. We want to thank all parents for their understanding and for adhering to the policies to continue to have a safe school year. Please email the school at <u>attendance@mbscs.org</u> if your student is going to be absent for any reason. As always, if you have any questions or concerns, you can contact the school nurses via phone at 410-208-1600.

Sincerely, Your school nurses, Mrs. Carlson and Mrs. Mumford

N.U.T. DAY

To learn about our Diocesan school year theme, *Called to* Serve, tomorrow, Friday, September 25th we will be having a N.U.T. (No Uniform Today) Day to focus on the first **Corporal Works of Mercy, Feed** the Hungry. Students are asked to send in two nonperishable food items to dress down. These items will help stock St. Mary **Star of the Sea/Holy Savior** Church's pantry this month. Parent, please review the section about appropriate N.U.T. Day attire in the family handbook on our website (linked below under uniforms) if you have any questions about what to wear.

UNIFORM REMINDERS

Wearing a uniform to school teaches our students how to dress appropriately, walk with confidence and feel good about their appearance. Normally during our Back to School Night we talk more about it. With most discussions this year being related to our health and safety, we didn't have a chance to focus on it. If you need any uniform item, please email Mrs. Evans at aevans@mbscs.org or at 410-208-1600. She will look to see if we have it and send it home. You are welcome to swap items or offer a donation. All donations will be placed in our student services fund. Please check the attached handbook for the uniform policy. Please take note at a few items below.

Family Handbook

- Make sure students have the socks and shoes they are supposed to wear on any given day.
- With the windows open, we understand that our students may be a bit chilly as the fall and winter weather approaches. To stay warm, please wear the appropriate second layer. Acceptable choice are the MBS gym sweatshirt, MBS cardigan, MBS zip-up sweatshirts or MBS 3/4 zip-ups. Please visit the Flynn O'Hara online store or purchase a zip-up during our MBS Pop-up Spirit Sale (open online this week until Sunday, September 27th). The link for the Pop-Up sale is below. We are asking that no hooded sweatshirts be worn in school. The hooded sweatshirts are OK to wear outside as a jacket. There will be a few more options during our next MBS Pop-up Spirit Sale beginning in November.

At this time, it will not be feasible to have rainy day dismissals like we have had in years past. If there is any chance of rain in the forecast, please send your child(ren) to school with a rain jacket.

COUNSELING CORNER

I am so excited to be back in school. Welcome back to our MBS families and welcome to all of our new families! It is so great seeing our students and families in the car lines every day.

It is going to be a great year! We all need to follow the new plans and work together to make this year a success! If there is anything I can do to help, please contact me at tgabbard@mbscs.org or call the school office for me M-Th 410-208-1600.

I have included a link below for families with younger children. It is "The ABC's of Back to School-A CNN/Sesame Street Town Hall for Families". This aired live last Saturday. It is a nicely done and informative video you can watch with your child to answer some questions we may all be having.
