Updates

- For our 8th grade field trip June 7 we were blessed on Monday with beautiful weather as we traveled to Odyssey Watersports and spent the morning kayaking, paddle boarding and jet skiing. Thank you to the Clemens family for their hospitality. We made an afternoon stop at Jolly Roger racing go-carts. Seemed like we had the entire area to ourselves, it was a great time. Finally they had a night on 30th Street beach with family around a bonfire.
- Award Ceremony- June 11 thank you to our 7th grade for supporting our Award Ceremony tomorrow afternoon.
- Service our 8th grade traveled to St Mary Star of the Sea/ Holy Savior Parish to help with mulching, polishing silver and other odds and ends. They were invited to see the newly renovated St. Mary Star of the Sea from the inside and their hard work of polishing silver candlesticks glistening.
- Graduation June 13 is our final day of gathering as an 8th grade class. Graduation will be held at St. Luke Parish, in Ocean City at 2:00pm. Family and guests are welcome to join us. Please pray for our graduates as they turn a new page in their lives that they continue to keep Christ in their hearts and live their faith.

MANDATORY HEALTH FORMS

In preparation for the following school year 2021-2022, the Health Suite has information that may need to be updated or new forms that need to be completed. All forms can be found on the MBS website or in the Health Suite.

www.mostblessedsacramentschool.com

- **All students who need an anaphylaxis action plan due to a life-threatening allergy:** Must have an Anaphylaxis Action Plan form that needs to be filled out and signed by both the parent and the physician and an order for each medication that includes the entire school year. MBS will also need all rescue medications turned in at the same time as the forms. Do not send in the forms without the medication. MBS cannot supply any medications for any student.
- **All students who need any medication:** A medication permission form must be filled out by the **physician and signed by the parent. A new form must be completed each school year.** (If your child is on more than one medication, **each** medication needs a form filled out by the physician every year.) **No medication will be administered in school without a written prescription from the physician and a parent's signature.** ***All medication must be hand delivered by the parent to the nurse.** This includes both prescribed medication and over the counter medication.
- **Any students entering Kindergarten and 4th Grade:** Must have a physical examination form completed by a physician. The parent completes the top portion of the form. The form can be taken or faxed to your pediatrician if your child has had a well-check examination within the last year. If your child has a well-check scheduled in the summer, please take the form with you to be completed and turn it into the health suite before the beginning of the school year. These forms must be returned to the Health Suite before the new school year in order for the state to allow the students to continue at MBS.
- **All students entering 7th Grade:** Must have the Tdap and Meningococcal vaccines. Record of these must be given to the Health Suite before the school year begins in order to be allowed to continue attending MBS.
- **All students who have received any immunizations this past year:** Should provide an updated record to the Health Suite.
- **All medication must be picked up at the end of the school year by the parent.**

I wish our 8th grade the best of luck as they close this chapter at MBS and enter High School. May they always remember their MBS family and the foundation of faith built over the years.

We are asking for \$35 for the first child and \$15 for each additional child. Please email me if the money is a problem and we will find a sponsor in the parish. Below is a schedule. One of the goals of Vacation Bible School is to introduce children to the show "SuperBook." If you don't make it to VBS give Superbook a try on Amazon Prime or YouTube. <https://www.youtube.com/c/SuperbookTV/featured> Superbook is not made by Catholics but it is a great starting point for hearing the stories in the Bible. I hope your children can join us and I hope you can volunteer to help.

For the sake of His sorrowful Passion, have mercy on us and on the whole world.

Jesus, I trust in you.
