

Dolphin Days

Most Blessed Sacrament Catholic School

September 16, 2021

As we begin the new school year, may our theme resonate in our prayer, instruction, and spirit. The September Gospel passage (Luke 24:13-32) is a wonderful reflection for us and for our students since we come to school to walk with the Lord, to learn from Him, and to recognize Him in the Eucharist. The first several days of school have been a COVID challenge, but the Lord continues to walk with us as Companions on the Journey.

Each Thursday, the Dolphin Days Newsletter will be sent by email to the families. In addition, we will provide a copy for the Thursday Home Folders. Please update your email address with the office in order to ensure you are receiving this communication as well as other pertinent information.

The Family Survey was sent home in the Thursday folder on September 9, 2021 and needs to be completed as soon as possible. It is extremely important that we get participation from our families, no matter what your income level. This is used as a method to acquire federal or state funding. The survey is confidential and there is no additional information needed from you other than completing the survey. We truly appreciate your attention and support to this request.

The Before and After School Program is in full swing. Please complete the form in the link below and turn into the office if you would like to enroll your student.
