

Welcome and Welcome Back to all our fabulous Most Blessed Sacrament families!

Because good nutrition is very important in fueling the minds and bodies of our students, we encourage you to take part in the lunch program on a regular basis!

We are excited to announce the partnership with Le Donne Cucina is growing. We are joining a national renowned software provider, Hotlunch.com, to implement our online lunch order and payment system. Parents will be able to order hot lunch via app on their mobile device or from a computer. Lunch can be pre-ordered, or a student can order when arriving to school. Payments will also be processed through the app or you may send a check made out to *Le Donne Cucina* to add a credit to your child's account. Once the credit is applied, it will show up on your online account. ***Our lunch program will begin Monday, September 13, 2021.***

Please log in at <https://mbscs.ahotlunch.com/login> and sign up for an account so you can order lunch for your student(s) throughout the upcoming school year. After you activate your account, you will need a school code to add each of your students. **Our school code is 137mbs.**

Once registered, you can download the Hotlunch.com's iOS App from <https://itunes.apple.com/us/app/hotlunch-school-software/id1451511654?mt=8> or search "hot lunch" in the app store and "HotLunch School Software" will pop up. This will make ordering and paying from your mobile device simple. The domain you need to enter is **mbscs**.

If you have any questions on how to order for multiple students or how to cancel an order, click on the Software Support option on the bottom left of your navigation panel. Thank you for entrusting your student's nutrition to us!

All the Best,

Damiana Clubb & Colleen Rutzler
