Most Blessed Sacrament Catholic School

Dolphin Days is a two-page document. If you are viewing it from your device, make sure you click on the image of the Newsletter, and it will open the two pages through a web browser.

In Psalm 116:12 we pray, "How can I repay the Lord for all the great good done for me?" For those who attend catholic school or have sent or send their children to Catholic school, this prayer resonates with them. This week I visited the eighth-grade class and asked some of the students how they would respond to the following question: Why do you or your family choose MBS? Here are some of the responses:

"My friends and teachers are the best."

"We have great activities like sports and Fall Festival."

"I love the teachers, and I get a good education."

"Science class is great."

"I get to work on my relationship with God."

These statements, by the eighth grade, show how blessed they feel to have the opportunity to be part of MBS, and in turn we must say to ourselves, "How can I repay the Lord for all the great good for me?"

We are "Companions on the Journey."

In this week's Thursday folder you will find a Student Permanent Records Report. Please take the time to review, make corrections and sign on both sides before sending it back to school. Thank you.

Important School News

The Family Survey was sent home in the Thursday folder on September 9 and needs to be completed by each family and returned to school as soon as possible. This is used as a method to acquire federal or state funding. The survey is confidential and no additional information is needed other than the survey. We appreciate your attention to this request.

On the weekend of September 25-26 in all parishes and among all benefactors of Catholic Schools, the Share in the Spirit collection will be held. Funds raised from this collection are used exclusively for tuition assistance at parish and diocesan schools throughout the Diocese of Wilmington. MBS has representatives at many parishes to speak on behalf of the school and this collection. We appreciate the support from the various communities which make a Catholic education possible.
