

Dolphin Days

Most Blessed Sacrament Catholic School

January 20, 2022

Dolphin Days is a two-page document. If you are viewing it from your device, make sure you click on the image of the Newsletter, and it will open the two pages through a web browser.

The Gospel selection for the month of January is *The Lord's Prayer*, the perfect prayer given to us by Jesus himself. It is the model for all prayer incorporating adoration, contrition, and thanksgiving. In this prayer we ask, "Give us this day or daily bread". Jesus, the Bread of Life, is certainly the daily bread we seek to live each day in the Reign of God. Take a moment to pray *The Our Father* as a family and reflect on these gifts given to us by our Savior.

Show your Dolphin pride and wear your Spirit wear this Friday, January 21!

Mark your calendars and join us after Mass on Sunday, January 30 for the school's open house from 12-1:00. Teachers will be showcasing their classrooms, and we would love to see you there!

Tuition Assistance Applications-The application period for the Diocese of Wilmington's tuition assistance program is now open and the deadline is March 4. Contact the office if you have not received the application information. A family must have processed an application through this program to be considered for any type of tuition assistance through MBS for the 2022/2023 school year.

Please see the flyer in today's Thursday folder for *The Joseph House*. This is part of our service project for Catholic Schools Week. Please have your son or daughter pick an item to donate. More details regarding this project and the other amazing activities planned for Catholic School Week will follow as we get closer to the week. The CSW flyer was sent home last Thursday, and it can be found on our website.

From the Health Suite

Every home in the U.S. is now eligible to order 4 free at home COVID-19 tests. Please visit <https://www.covidtests.gov/> for more details and to request yours. Please note that while this is a step in the right direction, home testing has its limitations, and the directions need to be followed closely for an accurate result. If your children or anyone in the household has symptoms of COVID, please do not just test them and send them to school without speaking with your child's healthcare provider or our school nurse first for further guidance. It is up to every one of us to help keep our students and staff healthy during this current surge of illness.

Please be aware that the CDC and our Department of Health have issued updated COVID guidelines for isolation and quarantine. If your child has COVID or is in close contact with anyone known or suspected of having COVID, please let our school nurse know.

If your child will be absent for any reason, please remember to email attendance@mbscs.org with the expected dates of absence and the reason. If you have any questions at all, please reach out to our school nurse at mlewis@mbscs.org or by phone at 410-208-1600 during the school day.

**Please note: For people who are returning either from isolation (after a positive COVID-19 test) or quarantine (after close contact), the recommendation is that masks may be removed only when eating and during naptime. Please be sure to send your students back in a well-fitting mask
