As we enter the month of May, we seek to keep our eyes on Our Blessed Lady and honor her in special ways. Today, May 5th, during our school Mass, we crowned Mary. In addition, on Thursday, May 26th we will have a May Procession at 10:00am in our prayer garden. Please mark your calendars as we welcome you to attend this outdoor prayer service to honor Our Blessed Mother Mary.

The school production of **High School Musical** has the school buzzing with excitement as we prepare for opening night! From the Health Suite

ATTENDANCE: If your child will be absent for any reason, please remember to email attendance@mbscs.org. After 3 days of absence for illness, your child will need a doctor's note to return to school. If you have any questions at all, please email our school nurse at mlewis@mbscs.org or by phone at 410-208-1600 during the school day.

Water Bottles: As the weather warms up, it is even more important to be sure your child brings a refillable water bottle to school. Water provides our bodies with energy, helps with concentration and mood, supports our immune system, helps regulate body temperature, aids in healthy digestion, and prevents dehydration. Children come to see the school nurse often for symptoms of dehydration, such as headache, fatigue, nausea, constipation, dizziness, or feeling overheated from being outside. Please help our children learn healthy hydration habits!

May - August is considered peak tick season. Please remember to check your children's skin and hair for ticks daily when playing outside. Although they can be found anywhere, they prefer to burrow in areas on the body that are warm, moist, such as the scalp, behind the ears, around the neck, under the arms, behind the knees, and near the groin. For tick removal tips please visit: <https://kidshealth.org/en/parents/tick-bites-sheet.html>

Counselor Corner:

Parent, it is hard to believe May is here already! Through the month of May, I will visit each class to discuss a very important topic. The diocese asks that I follow lessons from the program, "For the Sake of God's Children: Keeping Our Promises." Throughout the year I focus on topics such as bullying, appropriate boundaries, trusted adults, friendships, and life as a gift from God. This May I will focus on good-touch/bad-touch, secrets and again stress using our trusted adults. I always teach this topic age appropriately using books and resources that the children will understand. Parents, as always, please know you can contact me with any questions or concerns at tgabbard@mbscs.org

Love and prayers,
Theresa Gabbard
