

2022/2023 BUS TRANSPORTATION Service Contract RETURN TO MBS NO LATER THAN August 26th, 2022

The fundamental goal of the bus is to provide reliable and safe transportation for the students. Good behavior on the part of the students, while being transported, contributes significantly to the effectiveness, efficiency, and safety of the bus. Therefore, it is important for parents/ guardians and students to understand that the student behavior expectations set by the school are applicable to students while being transported via school bus. Any student exhibiting inappropriate or unsafe behavior will receive disciplinary review. This could result in denial of bus transportation.

Billing for bus transportation is handled by the school and payments will be made to MBSCS by check, cash, or credit. We will send out invoices quarterly with the first payment due when this service contract is returned to the school indicating that the parent wishes to use bus transportation. The bus fee for the 2022/2023 school year is \$1,900 for one child with a maximum of \$2,850 per family. Questions should be directed to Mrs. Littleton at Klittleton@mbscs.org or mbsfinance@mbscs.org for billing.

Quarterly payments will be due as follows:

	One Child	Family Maximum	
Due with Service Contract	\$475	\$712.50	
Due November 1, 2022	\$475	\$712.50

Quarterly bills will be emailed via QuickBooks. Payments can be made online following the email link or a check can be sent to the school.
