Educating the **Mind**
Strengthening the **Body**
Nurturing the **Soul**

Most Blessed Sacrament
Catholic School

2022 ANNUAL State of the School Report

Dear Most Blessed Sacrament Catholic School Families and Friends,

During the last year, it has been an honor and privilege to serve as the new Principal of MBS. While COVID continued to present daily challenges, our students produced academic progress and learned how to navigate new challenges with grace and perseverance. I would like to thank the entire school community of families, staff, and friends for your support during my first year. We are Companions on the Journey.

Our school is exceptional because Christ is among us. We help our students develop a relationship with Jesus Christ that is guided by Catholic teaching. We believe in educating the **Mind**, strengthening the **Body** and nurturing the **Soul**.

We are incredibly grateful to those who have faithfully supported our school by enrolling their children, prayed for our well-being, and provided financial support. We strive to be good stewards of the many gifts that have been given. It is through your generosity and support that we continue to make tremendous strides in improving academics, technology, and the school facilities.

This report offers a statement of accountability to all those who have provided time, talent, and treasure to the success of MBS. We hope that you are as excited as we are in the status and future state of the school. We sincerely thank you for your unending support.

We are one Body in Christ,

Mrs. Trinetta Stillman

Mrs. Trinetta Stillman
Principal
