

# Dolphin Days

Most Blessed Sacrament Catholic School

March 9, 2023

**Dolphin Days is a two-page document. If you are viewing it from your device, make sure you click on the image of the Newsletter, and it will open the two pages through a web browser.**

As we enter the month of March, we focus on the Social Teaching which is Solidarity. We are one human family whatever our national, racial, ethnic, economic, and ideological differences. At the core of the virtue of solidarity is the pursuit of justice and peace. Pope Paul VI taught that "if you want peace, work for justice." The Gospel calls us to be peacemakers. Peace is more than just the absence of conflict. Peace is the presence of mutually respectful relationships among individuals. When disputes arise, we need to handle our differences with tact, understanding, perspective, and love. At the heart of relationships is trust. At MBS we seek to educate and teach the students to trust in the love of Christ and to use it as a tool to create peace by building upon personal relationships.

**Trimester 2 has ended.** Report cards will be issued on March 16th. Please remember to sign and return the envelopes back to your child's homeroom teacher.

**Bishop's Visit:** On Wednesday, March 22 Bishop Koenig will say Mass for our school at St. John Neumann Church. Mass will begin at 10:00a.m. and parents are welcome to attend.

One Body in Christ,

## School News

The **Read-A-Thon** prize store is open through Sunday March 11. Please make sure your children log into their reading pages and select their prizes. Any prize money not spent within 10 days after our Read-A-Thon ends will no longer be available. The prize store cannot be reopened once it is closed. All prizes will be shipped to the school and distributed to the classrooms. Last minute donations are also being accepted through March 11. <https://mostblessedsacramentschool.com/>

**Donations Needed:** The middle school science lab is looking for donations of used cookware- small pots and pans, spatulas and mixing spoons, single and/or double-electric burners, pot holders, etc. Kitchen science is an excellent way to teach students certain physical and chemical concepts relating to our world and lives. Anything you can spare would be greatly appreciated!

If you are interested in earning some FIP hours and engaging with our middle schoolers in a fun and engaging way, please consider volunteering for our activity period. For more information, please email [amoshfeghian@mbscs.org](mailto:amoshfeghian@mbscs.org).

A few weeks ago, our school launched its first **Annual Fund**, and the response has been tremendous. We are so grateful to all of you who have generously given and prayed for us. We have reached **35%** of our monetary goal. If you have not yet had a chance to return your pledge card, you may do so by sending it to school with your child or dropping it off in the office. Additional pledge cards are available in the office. If you know of someone who would like to donate, let the office know and we will send them a pledge card. Donations can also be made by visiting our school website at: <https://mostblessedsacramentschool.com/>

**Alumni News:** Mary Mergott, MBS class of 2017, visited MBS last week. Mary is currently in the US Coast Guard Academy in Connecticut. Mary visited her past teachers and every classroom to say hi and tell them about the Coast Guard. Mary was very inspiring to our MBS students.
