Let Us Build the Kingdom
of God

Mrs. Stillman
Principal

Thanksgiving is a unique time for us as Americans and a special time for us as Catholics. We hit 'pause' in our busy lives and take time to reflect on our many blessings, acknowledge these blessings and say "thank you" to our family, our friends, and God. Since Eucharist means Thanksgiving, one of the very special ways to do this is to attend Mass and receive our Lord, Jesus, in the Eucharist.

My personal Thanksgiving reflection will include a special thanks for the gift of each of you here as members of our MBS family. I would like to say thank you for entrusting your children into our care. In addition, I would like to thank you for the generous gift of your time and talent which has created this wonderful school.

May your blessings fill you with joy this Thanksgiving and may your Thanksgiving gathering be memorable.

Please note that we will not have our Dolphin Days Newsletter next week.

The Roaring 20's Gala was a wonderful celebration of our school and our community. Thank you to the HSA, committee members, and all who came to enjoy this evening with us.

Box of Joy

THANK YOU MBS FAMILIES!!! We packed and sent 157 Boxes of Joy to children in need. We will help put smiles on 157 children this Christmas Season. Thank you all for your donations toward this wonderful service project. May God Bless you all.

Creative - Activity

The **middle school** is looking for parents and grandparents who would like to teach or help teach one or more classes on cooking, building, craftsmanship, and technology (anything from coding to 3D printing). Please consider sharing your time and talents.

To coordinate an activity class, please contact
Mrs. Moshfeghian@mbscs.org

Annual Appeal

Our school needs your help! Over the next few weeks, you will be hearing about our Annual School Fund. This initiative will allow us to better assist all students who want to attend our school by keeping tuition costs low. It will also allow us to continue to work on projects, add enrichment programs, and update the curriculum. We are asking that all school families participate in our annual fund.

Only by working together can we ensure that the great gift of education at MBS will be available to all who seek it. A State of the School Report has been mailed to your home. In the next couple of weeks, you will receive a school brochure and a commitment card with a return envelope. Take the time to read through the materials and prayerfully consider making a donation this year.

Health Suite

Hello parents! If your student has an inhaler or epi-pen, PLEASE send it into school as soon as possible. Their doctor will also need to send us a medication authorization form. These medications are crucial for me to take proper care of your child. This can be found on our website or stop into my office for one. Is your student missing their jacket or sweater? Our lost and found is filling up fast! Please remember to label your child's jackets, sweaters, and water bottles. Remember to email attendance@mbscs.org if your student will be absent.

Counselor Corner

In all classes we are focusing on Kindness and Friendship! I want to thank Lindsay Daws, parent and therapist from Daws Mental Health who volunteered her time to talk with our 7th grade Middle School class about Mental Health and healthy coping skills. Thank you, Mrs. Daws for the 2 periods of fun, mental health education and teaching us all new healthy coping tools.
