2023 ANNUAL State of the School Report

Most Blessed
Sacrament Catholic
School

Dear Most Blessed Sacrament Catholic School Families and Friends,

This is a time of great blessings for our school community. We have so many reasons for which to offer thanks to God for guiding and blessing our growth. I continue to be inspired by the commitment of our talented faculty and staff. They fill our precious time with engaged and relevant learning. I am especially grateful for the support poured out by the families. Their stewardship of time, talent, and treasure continue to make a lasting impact on the trajectory of MBS.

This report offers a statement of accountability for all those who have contributed to the success of our school. We proudly list our accomplishments, and we continue to embrace the challenges presented as we move forward with God's graces.

In the new school year, we are embracing God's roadmap of the Beatitudes. These teachings show us how to live a life that is not only pleasing to God, but also makes a positive impact on those around us. We continue to nurture our students, and their relationship with God as they excel in their academic endeavors.

I hope this glimpse into our dynamic school will inspire you and may we all become better stewards of all our gifts. We sincerely thank you for your unending support.

Let Us Build the Kingdom of God,

Mrs. Trinette Stillman
