## The 2024 Most Blessed Sacrament Catholic School Teacher of the Year is Mrs. Josie Cover!

Each year the Knights of Columbus Council #9053 and MBS honor the educator of the year. This year we are thrilled to have our music teacher, Mrs. Cover, as the recipient of this special award. Mrs. Cover has been a teacher for 17 years, 11 of which has been as a Catholic educator of music at MBS. She has a special gift to share her faith by using her teaching and music skills to glorify God each day. Mrs. Cover leads the school choir, musical drama performances, the Christmas Program, piano lessons and recitals, prayer services, as well as helping design professional development programs for her colleagues' religious growth. Her dedication to her Catholic faith is witnessed by her students, colleagues, and parishioners each week as she prepares our school community for Mass, and by serving as the Coordinator of Liturgical Music at St. John Neumann where she, and her family are parishioners. Mrs. Cover is also a proud parent of three MBS students.

*Mrs. Cover will be honored on May 16 at a community award gathering held at the Knights of Columbus Hall.*

## Financials

All accounts need to be paid by 6/14/24 including FACTS, band, and lunch, unless prior arrangements have been made. FACTS Tuition agreements for the 2024-2025 school year use the same schedule as your current FACTS agreement and will be finalized the first week of June. Any tuition assistance or discounts will be posted after your agreement is finalized and the adjustment amount is confirmed.

If you wish to change the number of payments or the payment due dates, please contact Mr. Wright via email, [mbsfinance@mbscs.org](mailto:mbsfinance@mbscs.org).

If you would like to switch payments from automatic to manual, a new payment plan must be created.

## **Health Suite**

With the temperatures warming up, tick season is beginning. Ticks are often in wooded and grassy areas. After coming indoors check your clothing and entire body for ticks. When removing ticks, use tweezers and grasp as close to the skin's surface as possible and pull upwards. Monitor the area and if you develop rash or fever, see your primary care provider. As always, email [attendance@mbscs.org](mailto:attendance@mbscs.org) if your student will be absent.
