Dear MBS Families,

We begin October with a focus on the second gift of the Holy Spirit: UNDERSTANDING. The Spirit of understanding helps us to comprehend the meaning of God's message and to enlighten our minds with the light of his divine truth.

The middle school teachers are proud to announce the MBS Students of the Month for September 2024. These students display exemplary behavior and embrace a positive attitude towards learning as well as towards good citizenship among their family, friends, and peers.

Congratulations!

Rebecca Windon—Grade 6, Louis Cover—Grade 7, Sadie Mohr—Grade 8

Say **BOO** to the **FLU!** Flu season has started, here are some ways to scare away the flu:

- *Get your student the flu vaccine before Halloween.
- *Encourage frequent hand washing.
- *Encourage your student to do the 'Dracula' – cough and sneeze in your elbow, not your hands.
- *Keep your student home if they are sick or have a fever.

Health Records:

If your 7th grader or Kindergartener has recently gone to their pediatrician, please bring in their updated vaccine records!

Counseling Corner

WALK BY FAITH

This month I will be visiting all of our grades to say hello and remind them who I am, as their School Counselor. We will talk about our life as a gift from God and share our gifts with one another. We will talk about using the gifts God gave us as we all Walk By Faith.

Parents, this week I saw K, 1st, 5th and I see 7th grade weekly this Trimester. It is a joy to start classes with the students again.

Feel free to contact me at tgabbard@mbscs.org if you ever have any questions.

Attention 8th Grade Parents!
