

**2026/2027 BUS TRANSPORTATION
Service Contract
RETURN TO MBS NO LATER THAN AUGUST 27, 2026**

The fundamental goal of the bus is to provide reliable and safe transportation for the students. Good behavior on the part of the students, while being transported, contributes significantly to the effectiveness, efficiency, and safety of the bus. Therefore, it is important for parents/ guardians and students to understand that the student behavior expectations set by the school are applicable to students while being transported via school bus. Any student exhibiting inappropriate or unsafe behavior will receive disciplinary review. This could result in denial of bus transportation.

Billing for bus transportation will be posted to FACTS. Payments can be made via FACTS or by automatic withdrawal. The bus fee for the 2026/2027 school year is \$2,000 for one child with a maximum of \$3,000 per family.
