

School Milk Program

MBS partners with the Maryland Department of Education to provide milk to students at a discounted rate. A standard ½ pint milk carton will be provided at lunch for those participating in the milk program. If you wish to register your child for the milk program, please complete this form and return it to the front office.

The cost per student for the year is \$85.00 (\$45 after January 1, 2026). This price is a savings to you as a result of government funding.

This program will begin for students on September 8, 2026.
